

Climate Action Athelney Community Project Fund

The Climate Action Athelney Community Project Fund provides financial support for projects and activities in the local area that address climate change, sustainability and the environment. For example, encouraging recycling, supporting food self-sufficiency, events that make us '*think global, act local*' and encouraging wildlife diversity.

There is a simple application to complete which enables us to keep track of the Fund and allow us to promote the inspiring activity being undertaken.

Read the guidance below to see if you are eligible!

Guidance & Eligibility

Who can apply? Individuals, charity community groups or organisations based in the Climate Action Athelney area. Businesses may be considered if a community benefit can be evidenced.

What activity/projects are eligible? Any activity that meets one or more of the seven principles below.

What costs are eligible? Eligible costs could be, for example, new or second-hand equipment, event costs or publicity costs. Revenue costs such as pay/salary and personal expenses are not covered. Costs that have been incurred before an application was approved are not eligible

What is the minimum and maximum grant available? There is no minimum, the maximum grant available is £500. 100% of your project's costs could be covered. The grant will usually be paid on completion of the project, but this can be discussed if it's an issue.

Ideas & Principles

Your project activity should meet one or more of the following ideas or principles:

COMMUNITY ACTION – Encouraging the community to ‘Think global, act local’

DIVERSITY - Encouraging wildlife diversity

ENERGY - Increasing renewable energy production and/or use

FOOD - Local food production and self-sufficiency

KNOWLEDGE – Increasing awareness amongst the community of climate change issues and how our actions can have a positive effect

PLASTIC – Refuse, Reduce, Reuse, Repurpose, Recycle

TRANSPORT - Increasing transport by foot or bike, or reducing car use

Next Steps?

If you think you are eligible and would like to discuss project or to apply for this fund please contact Laura Jensen on 07784 225571 or email a completed application to
